A letter was read from the City Solicitor regarding the financing of the new Ferry boat and stating that as the law stands at present a Bylaw cannot be passed for the borrowing of money on Debentures except under the condition that such Bylaw will be void unless the work is completed within the time specified in the Bylaw for that purpose. It was decided that all the Aldermen should if possible attend the sitting of the Commission on Tuesday the 27<sup>th</sup> instant.

The Chairman of the Board of Works Committee stated that the following bids had been received for the raising of the Thompson Block at the corner of 2<sup>nd</sup> and Lonsdale Avenue:

The deputation impressed upon Mr. Mahon that as a full price of the land was being paid the conveyance should be unconditional and this had been agreed to by Mr. Mahon and the conveyance would be redrawn. Alderman Irwin also stated that Mr. Mahon had agreed to accept interest on the debentures from the time of handing same over instead of from the date of the passing of the Bylaw.

Council thereafter adjourned.
