Mayor Hanes reported that a Public Meeting had been held in the City Hall on Friday, May 26<sup>th</sup>, and the matter of extension of time for redemption of property sold at 1915 Tax Sale was discussed, and the Meeting decided to send Delegates to Victoria to interview the Executive Council, and, if possible, persuade them to amend the Municipal Act at this session, whereby two years would be given for redemption instead of one, and that Mr. W.J. Irwin and himself had been appointed by the meeting to attend at Victoria, which they did on Monday morning and met the Executive Council.

The matter was placed before them, but no definite statement was made by the Executive as to whether the Act would be changed. He stated that he had telephoned Mr. Collins, City Clerk, and asked for information as to how much of the property sold last year was owned by residents of the Province of B.C. as the Executive Council desired to have this information before them, and that he had found out from the City Treasurer that there was approximately 80% of the property owned by the residents of B.C. and that he would wire the results of his findings to Victoria in the morning. Moved by Alderman Biss seconded bylaw and resolved that the report of the Mayor concerning his trip to Victoria re redemption period of property sold at Tax Sale be received and that said trip be confirmed by this Council.

Moved by Alderman Wright seconded by Alderman Biss and resolved that if the Mayor is satisfied with the correctness of the statement of the City Treasurer that a telegram be sent to the Executive Council at Victoria advising that 80% of the property sold last year at the Tax Sale belonged to persons residing in British Columbia.

Moved by Alderman Wright seconded by Alderman Biss and resolved that the applications received by the Clerk for stenographer in his office be referred to the City Clerk to choose from among them as to whom should be appointed as stenographer in his office.

At 9:15 it was moved by Alderman Foreman seconded by Alderman Wright and resolved that the Council adjourn.
