## IN COMMITTEE

## IN COUNCIL

Moved by Alderman Townsley, seconded by Alderman Tolmie and resolved that the above report of the Committee of the Whole be adopted.

Moved by Alderman Tolmie, seconded by Alderman Bridgman and resolved that the following report and recommendation of the Ferry Committee be adopted:

The City Engineer submitted a report dated August 17<sup>th</sup> on the best material and method of renewing the flooring and decking on the ferry wharves.

The Ferry Superintendent also submitted report for renewing the planking on the North Shore steel bridges for passengers, recommending the renewing with fir planking 3 x 6, finished with a covering of Tarvia X and crushed granite, estimated cost \$379.50.

RECOMMEND that the above report and recommendation of the Superintendent for repairs on the bridge be adopted, not to exceed \$400.00.

RECOMMEND that the Engineer prepare plan and specification and call for alternative bids to be submitted at next meeting of Council, for concrete top or bitulithic top in place of the wood block decking on the permanent roadway portion of the North Vancouver wharf.

Re extension of the South Shore ferry leads.

The Solicitor submitted letter from Mr. Bateman, Local Right-of-way and Lease Agent, C.P.R. suggesting that it would be advisable if

representatives of the Council or Ferry Committee called on the General Superintendent of the C.P.R.

RECOMMEND that the Ferry Committee and Solicitor meet with the General Superintendent of the C.P.R. and that the Clerk arrange a meeting.

The Superintendent reported with respect to light of the Refreshment Booth on the Vancouver wharf, that under the terms of the lease the Agent was to arrange with the B.C. Electric Railway Company to pay direct, his light account, that this account has been paid by the City and there has accumulated since the first of August 1924, to June 30<sup>th</sup>, 1925, the sum of \$290.00.

RECOMMEND that the above matter be laid on the table until next meeting.

RECOMMEND that the Treasurer be authorized to redeem 298 half-fare children's ferry tickets, purchased by the Pacific Great Eastern Railway in connection with the Eagles Picnic, amount \$7.45.

The Clerk reported having received notice from C. Calla having met with an accident at the ferry, breaking the bone in one foot. This matter has been referred to the Employers Liability Corporation, who verbally stated over the telephone that they did not consider that he had a claim against the City, after having interviewed some of the witnesses.

RECOMMEND that the action of the Clerk be endorsed in notifying the Employers Liability Corporation.

The Superintendent verbally reported that on August 14<sup>th</sup>, 1925, at 3 p.m. he had disrated Mr. McLaren, Chief Engineer and signed him on again as Second Engineer.

The Superintendent read copy of his letter to the Captain, instructing that Mr. McLaren be disrated.

Mr. McLaren, by permission, addressed the Committee stating that he had been in the service of the ferries for 14 years, 8 years as second and 6 years as Chief Engineer. He also stated that the log book on his boat had disappeared and had been returned to the boat from the Superintendent's office. Under Shipping Regulations, the Chief Engineer is solely responsible for the Engines and Boilers.

Mr. McLaren requested that he be reinstated as Chief Engineer.

Mr. Chalmers submitted a letter which was read, from the Federated Seafarers Union with respect to the dismissal of one of the employees. The letter stated that their men had been treated satisfactorily. Mr. Chalmers also stated that he had interviewed the Captain on the boat, the Secretary of the Engineer's Association and the Shipping Master and that all considered that he was justified in disrating Mr. McLaren.

The Mayor inquired what was the cause leading up to the final disrating of Mr. McLaren.

The Superintendent stated that they had been putting in a new apron and that he had met Mr. McLaren and told him that a man was coming down to put in brick. Nothing in his conversation to cause trouble with

McLaren. It was distinctly understood by McLaren that the Superintendent was to enter in an order book, laying out any work that was required to be done.

Captain Spracklin being present, addressed the Committee and stated that he considers the Superintendent has been doing his utmost to maintain discipline in the service.

Mr. Reed, Secretary of the Engineers Association being present stated that he had heard there was trouble between Mr. Chalmers and Mr. McLaren and that he had interviewed Mr. McLaren trying to guide him in the matter, but that Engineer McLaren has not appealed to the Engineers Association.

RECOMMEND that the action of the Superintendent in disrating McLaren, be confirmed.

The Solicitor reported that a Mr. Thompson whose car ran into the Inlet has entered an action against the City.

RECOMMEND that the Solicitor be authorized to defend such action.

Moved by Alderman Bridgman, seconded by Alderman Vance and resolved that the following report of the Finance Committee be adopted:

Re arrears of water, North Vancouver Nurseries 17<sup>th</sup> Street East.

The Collector reported that water rates had accumulated against the above Nursery and that two parties have taken an option on the property, with a view to purchase. The parties being present stated that Mr. Jones has until September 6<sup>th</sup> to pay up \$6000.00 and in the event of his not paying, they intend purchasing the property.

RECOMMEND that the matter of turning on water to the house at the North Vancouver Nurseries, be left in the hands of the Treasurer for adjustment.

Re Deemings, 15<sup>th</sup> Street East

RECOMMEND that Mr. Deeming be charged at the rate of double house rate, viz, \$24.00 if in accordance with terms of Water Bylaw and that the meter be taken out, retroactive to June 1924.

The Solicitor reported that an Order Nisi has been made in the foreclosure action against McGurk, the 30<sup>th</sup> January 1926, has been fixed as the last day for redemption.

RECOMMEND that this matter be laid on the table pending the completion of foreclosure proceedings.

RECOMMEND that the Municipal News of B.C. be advised that the Council can only see its way clear to subscribe for four copies at the present time.

The Clerk reported having received a request from the Provincial Board of Health for copies of Health Bylaws.

RECOMMEND that this matter be left in the hands of the Clerk.

The Building Inspector submitted report with respect to radiators, etc., in the North Vancouver Hotel.

RECOMMEND that an inventory be taken and report submitted of moveable property at the North Vancouver Hotel premises, also a report of the condition of the doors and windows, same to be signed by the Building Inspector and Lessees, pipes to be drained and windows and doors secured.

Communication was received from Mrs. Margaret Hughes, re water rates in the case of two houses owned by her.

RECOMMEND that the Clerk forward a proper letter to Mrs. Hughes.

Re cost of Health Department for the years 1923 and 1924.

RECOMMEND that report on cost of administering the Health Department for the years 1923 and 1924, be left to the Chairman of Finance and Treasurer.

The Solicitor reported that an Order in Council has been passed dealing with the Grant from the Indian Department to the City of the street through the Mission Indian Reserve and he has applied to have the Quit Claim registered.

RECOMMEND that Messrs. R.P. Clark & Company be advised that the City is not considering investing sinking fund in the meantime.

RECOMMEND that communication from the Department of Indian affairs to the Treasurer with respect to Block 123, D.L. 271 be laid on the table until next meeting, the Treasurer to secure information in Vancouver re Local Improvement charges on Government property.

RECOMMEND that the interest and sinking funds re Burrard Inlet Tunnel and Bridge Company bonds guaranteed by the City, due September 1<sup>st</sup>, be paid.

Re \$180,000.00 Treasury Notes due October 1<sup>st</sup>.

The Chairman reported that he and the Solicitor had interviewed Mr.  
Baird, Inspector of Municipalities, who is prepared to support a private bill  
providing for 5 year debentures in the amount of \$150,000.00, the City to  
pay of in cash 430,000.00 and retire the debentures at the end of five  
years, providing each year, sinking fund and interest for this purpose.

Mr. Gray reported that the Solicitors of the Bank have been instructed to  
look into the legality of the matter of the Bank taking up the notes as they  
fall due and holding same until the private bill is passed by the legislature.

RECOMMEND that the Solicitor prepare private bill and submit to the  
Inspector of Municipalities and take all necessary steps required to be  
taken in the matter, with a view to passing of a private bill at the next  
session.

RECOMMEND that the matter of paying off overdraft, be left in the hands  
of the Finance Committee with power to act, if the Solicitors of the Bank  
report that Treasury Notes were legally issued.

Moved by Alderman Irwin, seconded by Alderman Townsley and resolved that  
the following report of the Board of Works Committee be adopted:

A letter was received from G. Cambie, 1535 St. Andrew's Avenue, complaining of his wife having met with an accident on the sidewalk on 15<sup>th</sup> Street between St. George's and Lonsdale.

The Engineer submitted report on having examined the sidewalk and finding same in fair condition. This sidewalk having been properly constructed in the first place.

RECOMMEND that copies of letters and report be sent to the Bonding Company.

Communication was received from G.L. Edwards and others re lane in Block 11A, D.L. 550.

RECOMMEND that the lane in Block 11A, D.L. 550 be opened up at an approximate cost of less than \$150.00.

Re 3<sup>rd</sup> and Heywood.

RECOMMEND that two suitable dangerous crossing signs be installed at this point.

RECOMMEND that the Management of the B.C. Electric Railway Company be requested to give warning in cases of cars coming out of the car barns.

Re 3<sup>rd</sup> Street and St. David's.

RECOMMEND that a suitable crossing sign be installed at this point.

RECOMMEND that the committee inspect 3<sup>rd</sup> Street and Bewicke owing to dangerous curves.

Re Ridgeway and 10<sup>th</sup>.

RECOMMEND that the Engineer submit report on making the road at this point, secure for vehicular traffic.

The Engineer reported that the hard surfacing on 3<sup>rd</sup> Street from Lynn Creek to Queensbury will be completed about August 19<sup>th</sup>.

Moved by Alderman Townsley, seconded by Alderman Bridgman and resolved that the following report of the Fire and Light Committee be adopted:

Communication was received from the District council inquiring with respect to installation of boundary lights at Shavington and Keith and Keith and Centre, the District requesting that the City pay maintenance cost.

RECOMMEND that the Committee inspect any street lights applied for.

Moved by Alderman Vance, seconded by Alderman Irwin and resolved that the following report of the Water Committee be adopted:

The Engineer reported under date August 7<sup>th</sup>, recommending the following water extensions:

|  |           |
|--|-----------|
| 4" watermain on Chesterfield from 26 <sup>th</sup> to 27 <sup>th</sup> and hydrant at 27 <sup>th</sup> Street            | \$360.00  |

| 4" watermain on Williams Avenue from 17 <sup>th</sup> to 19 <sup>th</sup> Streets and hydrant at 19 <sup>th</sup> Street | \$760.00  |
|  | \$1320.00 |

RECOMMEND that the above report of the Engineer be adopted and the work authorized.

Report was received from the Publicity Committee appointed to interview the Vancouver Oil Refining Company, who had applied for right-of-way for pipe line down Bewicke Avenue.

The Committee reported that the Council approve in principle the establishment of their proposed industry. The Committee recommends to the Council that the pipe line right-of-way be granted for a term sufficient to make the Company feel safe in proceeding with their proposed expenditures. The Committee also recommend that permission be granted the Company to construct a wharf for berthing deep sea ships, the Company to make use of the existing wharf if it so desires, any wharf constructed must be approved under the Navigable Waters Protection act and all works must meet with the approval of the Fire Marshall and usual building permits will have to be taken out, the public to have access to the wharf when constructed with a proviso that the Company is to be inconvenienced as little as possible.

Moved by Alderman Irwin that the above recommendations be approved, the location of the pipe line to be approved by the Engineer.

Alderman Vance reported that new concrete dam at the Intake has been completed, work is proceeding on the settling tanks and a freshet now will not interfere with the tanks.
