RECEIVED AND FILED.

From the Chairman of the Elks' Flag and Children's Day inviting the Mayor and members of the council to be present at the opening day of the Vancouver Exhibition on Wednesday, August 6<sup>th</sup> 1930.

Moved by Alderman Loutet, seconded by Alderman Anderson and resolved that the invitation be accepted with thanks and as many members of the Council attend as is possible.

From Mrs. C. Beach, 228 14<sup>th</sup> Street West, drawing attention to the dense brush creating a fire hazard around the residence owned by her on Lot 12, Block 8A, D.L. 6161; also the urgent need for repairs to a nearby bridge.

Moved by Alderman Loutet, seconded by Alderman White and resolved that the application be referred to the Board of Works Committee and Engineer for report.

From A. M. Morrison, 314 23<sup>rd</sup> Street East, applying for gravel to be placed on the lane at the rear of his property.

Moved by Alderman Anderson, seconded by Alderman White and resolved that the application be referred to the Board of Works Committee and Engineer for report.

From Mrs. C. A. Giffen, 208 2<sup>nd</sup> Street East, applying for the lane to be opened at the rear of her property, Lot 25, Block 208, D.L. 546.

Moved by Alderman Cartwright, seconded by Alderman Anderson and resolved that the application be referred to the Board of Works Committee and Engineer for report.

From the Vancouver Labour Council, endorsing the recommendations of the B.C. Fire Underwriters Association in regard to the inspection of electric wiring, suggesting the urgent need of re-inspection of electric wiring, particularly in the downtown sections of the city, together with the need for the appointment of an inspector with national union affiliations to be in the direct employ of the City.

Moved by Alderman Wilson, seconded by Alderman Cartwright and resolved that the communication be referred to the FIRE AND LIGHT Committee for recommendation and report.

From the Engineer with reference to damage being done and the expert inspection rendered necessary by electrolytic action upon the City water services, recommending that he be authorized to prepare and submit for payment to the B.C. Electric a statement of claims for damages.

Moved by Alderman Anderson, seconded by Alderman Wilson and resolved that the report of the Engineer be adopted and any credits that may be obtained placed to the Committee Accounts charged with the work.

Moved by Alderman Loutet, seconded by Alderman White and resolved that consideration be referred to Committee of the Whole.

From E. P. Davis and Co. advising that the B.C. Mills Timber and Trading Co. had conveyed the seventy-six foot strip through their lands at Moodyville to the Vancouver Harbour Commissioners for the dedication of the Highway, and that they had advised the Company that the agreement of 17<sup>th</sup> December 1928, is in effect and that it is entitled to such indemnity and other protection as is afforded to it by the terms of the agreement notwithstanding that the Council now takes the position that the agreement did not come into effect and is dead.

Moved by Alderman Anderson, seconded by Alderman White and resolved that the communication be referred to Committee of the Whole.

From the Engineer enclosing correspondence relative to a dedication plan of a proposed highway through Moodyville wherein he had notified the Registrar of Land Titles that the plan should not be approved until it had first been approved by himself as Approving Officer for the City of North Vancouver, to which the Registrar in reply stated that in view of the statements contained in the letter from the Engineer that the City were unwilling to accept the dedication until certain works were accomplished, the Registrar agreed to notify the Vancouver Harbour Commissioners that action upon their request for a notation upon their title of the dedication of the Highway would have to be deferred until they produced evidence that the dedication had been accepted, although their request for dedication was on record that they were ready and willing to dedicate the lands as a public highway.

The Registrar was prepared to act in this extent upon the Engineer's letter but suggested as a matter of record that the request to withhold action upon the request for dedication should be officially forwarded by the Clerk on behalf of the Council.

Moved by Alderman Anderson, seconded by Alderman Cartwright and resolved that the communication be referred to Committee of the Whole.

From the Engineer recommending that Ninth Street between Queensbury and Sutherland Avenues be treated with asphalt at an estimated cost of \$90.00.

Moved by Alderman White, seconded by Alderman Cartwright and resolved that the recommendation of the Engineer be adopted and the work proceeded with.

From Mrs. W. Bucknell, 446 Keith Road West, advising that on Sunday, July 6<sup>th</sup>, her boy, Bert, while playing on the chute at Mahon Park had ascended the steps leading to the top of the chute and fell through on account of insufficient protection being there, the fall fracturing his arm.

Moved by Alderman Loutet, seconded by Alderman White and resolved that the communication be referred to the Solicitor and Engineer for investigation and report.

From Hayes Manufacturing Co. Ltd. Vancouver, offering for sale a 1930 model 2-ton "HAYES-ANDERSON TRUCK" mileage 2960 miles – at the price of \$2885 complete – all ready for work, including license.

It was pointed out that no provision had been made in the Board of Works Estimates for the purchase of a truck.

The Communication was ordered received and filed and the particulars noted by the Engineering Department for reference.

From the Fire Chief submitting a detailed report on the recommendations of the B.C. Fire Underwriters Association applicable to the Fire Department.

The report deals with Items 15,16,17,18,19 and 23, accompanied by general observations.

Moved by Alderman White, seconded by Alderman Anderson and resolved that the communication be referred to Committee of the Whole.

From the Clerk advising that a cheque had been received from the Provincial Government for \$10,873.60 being the City's share of Motor License Fees for the current year.

The amount received in 1929 was \$10,844.90. The 1930 approximation is therefore \$28.70 in excess of last year.

RECEIVED AND FILED.

From the Crippled Children's Hospital, Vancouver, applying for the privilege of hold a tag day in the City on Saturday, August 30<sup>th</sup>.

Moved by Alderman Anderson, seconded by Alderman Wilson and resolved that permission be and is hereby granted to the Crippled Children's Hospital to sell tags in the City and at the Ferry approaches on Saturday, August 30<sup>th</sup> next.

From W. G. Swan, Consulting Engineer, Vancouver, stating that his former application with reference to the proposed development by the Great West Coal and Supplies Co. Ltd. at St. George's Avenue Street End, had apparently not been made clear to the Council. He again pointed out that his clients had placed themselves in the hands of the City, when they stated that they would be satisfied to discontinue access to the improvement over the street end water lot whenever the City desired to improve the street for their own purposes.

Moved by Alderman Loutet, seconded by Alderman White and resolved that in the opinion of the Council the application was fully understood and the decision formerly arrived at be adhered to.

From Saanich Municipality, submitting a resolution dealing with granting the right to a Municipal Council, through service upon the Attorney-General, to petition the Supreme Court of British Columbia for the determination of any point of law arising out of any of the sections of the Municipal Act together with a request that the support and instruction of the City's delegates be given at the forthcoming Convention of the U.B.C.M.

Moved by Alderman Anderson, seconded by Alderman Loutet and resolved that the communications be laid on the table and a copy of the resolution forwarded to all members of the Council.

From the Solicitor submitting an amendment to the Plumbing By-law which regulates persons doing work by providing for a Board of Examiners and prohibiting plumbing work being done by others than those holding a certificate of efficiency.

Referred to By-laws

From the Clerk submitting Certificate certifying that no petition had been received against undertaking the construction of a concrete sidewalk four feet wide, on the South side of Nineteenth Street from the East side of Lonsdale Avenue to the West side of St. George's Avenue as a Local Improvement.

Received and filed.

From Lawson and Clark, Barristers, Vancouver, on behalf of Canadian Bitimuls Co. Ltd. claiming that the Assessment notice and notice of Taxes payable had only recently come to the attention of their clients, who formerly requested that the time for appeal from the current year's Assessment be extended.

Moved by Alderman Loutet, seconded by Alderman Anderson and resolved that the communication be received and Lawson and Clark advised of the legal position in the matter.

From the Solicitor submitting surrenders of the lease held by the Horticultural Society and of the sub leases held by the bowling Club and the Boy Scouts for execution by the tenants together with new leases to be given by the City direct to the Horticultural Society and to the Bowling Club and the Boy Scouts, subject to an understanding being arrived at between the Council and each of the tenants in regard to matters left blank in the leases.

Moved by Alderman Wilson, seconded by Alderman White and resolved that the matter be referred to the Parks Committee with power to act, subject to the lease being completed under authority of a resolution of the Council.

## TENDERS

Moved by Alderman Anderson, seconded by Alderman Loutet and resolved that tenders be opened.

Whereupon the following tenders were opened:

From Mrs. F. W. Mosley, 756 Boundary Road, Lynn Creek P.O. offering a total sum of \$60.00 cash for Lots 1, 2, and 3, Block 5A, D.L. 616.

The Clerk reported that the assessed value of the three lots was \$490.00. The property was situated in an undeveloped area and most of the surrounding lots were held by the Corporation.

Moved by Alderman Loutet, seconded by Alderman Anderson and resolved that the offer be not accepted and the Assessor confer with the intending purchaser with a view to her locating in a neighbourhood where ordinary services are available.

From Mrs. M. J. McKinnon, 423 28<sup>th</sup> Street West, offering to purchase Lot 17,18 and 28, Block 242, D.L. 544 at the price of \$150.00 cash for the three lots.

The Clerk reported that the property was assessed at \$900.00 and that Mrs. McKinnon was the owner of a residence on the adjacent Lots 15 and 16.  
The price offered was low in comparison with sales made.

Moved by Alderman Anderson, seconded by Alderman Loutet and resolved that an inspection and report be made by the Assessor and Engineer.

Re-submitting the offer of Irwin and Billings Co. Ltd. to purchase for a client Lot 18, Block 172, D.L. 274, on which a ground rental was being collected by the City for a small shack thereon.

The Building Inspector reported that the building from outside inspection had a value of approximately \$350.00 and the Clerk advised that the late City Solicitor had taken the stand that there was no doubt about the building being the property of the City and in the event of a sale should not pass to the purchaser.

Moved by Alderman Anderson, seconded by Alderman White and resolved that the matter be referred to Mr. Donaghy, City Solicitor, for a written report.

#### DRIVING TWO DOLPHINS AT NORTH VANCOUVER FERRY TERMINAL

Vancouver Pile Driving and Contracting Co. Ltd.	\$1,120.00
---	------------

Wm. Greenlees	\$1,319.61
---------------	------------

Moved by Alderman Anderson, seconded by Alderman Wilson and resolved that the tenders be referred to the Engineer for tabulation and report.

The Engineer reported that both the tenders were in order and recommended that the tender of the Vancouver Pile Driving and Contracting Co. Ltd. be accepted at the price of \$1,120.00.

Moved by Alderman Anderson, seconded by Alderman Cartwright and resolved that the recommendation of the Engineer be adopted and a contract entered into with the Vancouver Pile Driving and Contracting Co. Ltd. at the tendered price of \$1,120.00.

RECOMMEND that the application of Mrs. S. Crowell of 172 3<sup>rd</sup> Street East, re B.C.E. Railway Company's pole in front of her residence be laid over. It is proposed to put in a new stub pole alongside the old one until such time as the line is renewed.

### REPORTS OF SPECIAL COMMITTEES

Acting-Mayor E. H. Bridgman reported that along with Councillor Millar of the District of North Vancouver, he had interviewed the B.C. Motor Transportation Co. Ltd. in regard to the change in rates in the new summer schedule of the Company on the North Shore. The Management had promised that the Committee's request for consideration to short haul passengers would be received every attention and an answer could be expected by the middle of August when the next tariff is issued.

Moved by Alderman Anderson, seconded by Alderman White and resolved that the report be received with thanks and minuted.

### THIRD STREET HIGHWAY

Alderman Loutet reported that along with His Worship the Acting-Mayor and the Engineer they had met Mr. Phillips, Public Works Engineer, at Vancouver, on Friday, July 18<sup>th</sup>. It was agreed by all parties that the work on the May-McNeish property should be undertaken as quickly as possible, and that the City for the purpose of carrying out the work would act as the agent of the Government.

Publication was being made in the next issue of the Gazette and the city Engineer working with the Department had practically completed the arrangements for undertaking the work.

The report was supplemental by Acting-Mayor Bridgman that in connection with expenditures outside the bridge and fill in Block 68, the City's representatives had agreed to recommend to the Council that a By-law for a sufficient sum of money to enable the City to undertake its share of the balance of the Third Street Highway construction along similar lines to the type of construction used on the Marine Drive, West Vancouver.

Moved by Alderman Anderson, seconded by Alderman White and resolved that the report be minuted and the Committee thanked for their efforts in the matter.

Moved by Alderman White, seconded by Alderman Anderson and resolved that the arrangements made to date be confirmed, the necessary detail arrangements completed by the proper authorities and the work proceeded with on a day labour basis.

Alderman Anderson reported that a meeting of the Joint Councils and School Boards had been arranged for Wednesday, next, when the proposed Joint Health Service for the City and District would be formally adopted and all necessary details to inaugurate the plan at the beginning of the next School year, completed.

The Committee had gone very thoroughly into the whole situation and felt that at no increase in cost the service to be provided would be of real public benefit.
