

**MINUTES OF THE REGULAR MEETING OF COUNCIL HELD IN THE COUNCIL CHAMBER, CITY HALL ON MONDAY, JUNE 20<sup>th</sup>, 1932 AT 8:00 P.M.**

**PRESENT:**

Mayor E.H. Bridgman  
Alderman Anderson  
Alderman Brown  
Alderman Huggett  
Alderman Page  
Alderman Wilson

The Minutes of the regular meeting of Council held on Monday, June 6<sup>th</sup>, 1932, copies of which had previously been furnished to each member of the Council, were taken as read and on motion of Alderman Anderson seconded by Alderman Wilson adopted.

Correspondence was Received Read and Dealt with as follows:

From the District of North Vancouver advising that the request made to week and otherwise attend to the Hospital grounds had been conveyed by Reeve Bryan to the Council and referred to the Hospital Grounds Committee.

**FILED**

From James McL. Keist, complaining of low water pressure at 224, 5<sup>th</sup> Street East. From the Engineer stating that there is 75 lbs. pressure in the Block and that the property in question is seventeen or eighteen years old and it is probable that the pipes are corroded inside, in which case it is customary for the engineering Department to ask the owners to inspect and renew their own pipes first after which the street service is renewed, if necessary.

Moved by Alderman Anderson seconded by Alderman Page and resolved that the information furnished by the Engineer be conveyed to the complainant.

From John C. Laycock, 574-7yh Street East, complaining of poor water pressure in that block. From the Engineer stating that the water pressure at Mr. Laycock's residence is 40 lbs. which is fairly satisfactory, if the service is not corroded. For an expenditure of \$150.00 the water mains in the 500 block can be readjusted to furnish a pressure of 120 lbs. but before that is done, each house would have to install a reducing valve, and the wooden water main would be subjected to the extra pressure.

Moved by Alderman Anderson seconded by Alderman Wilson and resolved that the situation be studied by the Waterworks Committee to see if some other method of remedying the situation cannot be devised.

From Dr. G.F. Amyot, M.H.O. advising that a continuous check is made of the weight of school children to ascertain if any of the children show sign of malnutrition. A monthly weight chart and the medical certificate of each child is also consulted. The most recent survey shows that health conditions obtaining among children attending the City Schools is good and that on the whole the children are being well nourished.

Moved by Alderman Anderson seconded by Alderman Wilson and resolved that a copy of the communication be struck off and forwarded to the North Vancouver Unemployed Association and the original communication thereafter filed.

From the North Vancouver Horticultural Society, applying for a water connection from 21<sup>st</sup> Street, to serve the tennis court that is now being hard surfaced.  
Moved by Alderman Anderson seconded by Alderman Wilson and resolved that the application be referred to the Parks Committee for report.

From Thomas F. Hurley, Barrister, Vancouver, applying on behalf of Mrs. Ruby Nickels, for a license to practice palmistry in a store on Lonsdale Ave.

The Clerk reported that the Police Commission, following consultation with the Chief of Police, had recommended to Council that a license to practice palmistry in the City be not granted.

Moved by Alderman Anderson seconded by Alderman Wilson and resolved that the Council adopt the recommendation of the Board of Police Commissioners, and the application be and is hereby refused.

From the National Association of Marine Engineers with respect to the employment of Engineers as temporary help on the City Ferries who are not members of that organization.

Moved by Alderman Anderson seconded by Alderman Wilson and resolved that Council go on record as approving the employment of Union labor in the Engineering room of the ferries and that the Superintendent be instructed to engage for holiday relief engineers who are members of the Union.

From the Dominion Day Celebration Committee applying for the customary street decorations on July 1<sup>st</sup>.

Moved by Alderman Anderson seconded by Alderman Wilson and resolved that the application be and is hereby granted, arrangements be left in the hands of the Clerk.

From J.H. Younghusband, (City Blacksmith), applying for 6 months leave of absence on account of ill health.

Moved by Alderman Wilson seconded by Alderman Huggett and resolved that the application for leave of absence be granted, the Blacksmith's shop closed, and City work distributed among the local shops. The Engineer to submit a statement of comparative costs at regular intervals.

From the Corporation of the City of Salmon Arm submitting for endorsement a resolution in favor of Sweepstakes and through the Union of B.C. Municipalities petition the Provincial Government that a plebiscite be taken on the question at the next Provincial election and if endorsed by the people of British Columbia the Provincial Government be asked to take the necessary steps to present the case to the Dominion Government for legislation and enactment at the earliest possible date.

Moved by Alderman Wilson seconded by Alderman Brown and resolved that this Council while expressing no opinion for or against Sweepstakes, approve the principle of taking a plebiscite on the question at the next Provincial Election.

Alderman Anderson and Alderman Page Dissenting.

From Capt. MacLeod and J.K. Stymets, applying for berthing space – 50 feet – for a boat on the East side of the Vancouver Ferry landing and office space to conduct the business at the West side of the Ferry landing.

On motion Mr. Stymets, was heard and said it was intended to place the boat on the North Arm-Indian River run where Capt. MacLeod was well known having operated boats on the North Arm for the past three weeks.

Moved by Alderman Wilson seconded by Alderman Anderson and resolved that the Application be referred to the Ferry Committee with power to act.

Moved by Alderman Anderson seconded by Alderman Brown and resolved that the 1932 Tax Statement from the District of North Vancouver, in amount \$1,531.16, be and is hereby passed for payment subject to a cheque for a like amount being exchanged at the same time by the District to the City for High School fees and Light bills now in arrears.

From the North Vancouver City Ratepayers Association protesting the arrangement whereby the City Engineer is permitted to engage in outside work in conjunction with his civic duties. The Association being of the opinion that if the services of an Engineer is necessary, under prevailing conditions, the person appointed should devote his whole time to the duties of the office.

Moved by Alderman Anderson seconded by Alderman Brown and resolved that the communication be filed.

From the North Vancouver City Ratepayers Association with respect to the recent sale of Grand Trunk Perpetual Stock and certain appointments made to the regular staff of the City ferries.

Moved by Alderman Anderson seconded by Alderman Wilson and resolved that the Clerk's reply to same be approved.

From the Engineer recommending that requisite action be taken to have a logging camp, operating without permit or official sanction above the Lynn Creek Intake condemned, destroyed or removed.

The Clerk reported, that in the interests of the City's water supply, the Solicitor had started prosecution proceedings and the case would be up for hearing in the District Police Court, Thursday, June 23, 1932.

Moved by Alderman Anderson seconded by Alderman Huggett and resolved that the action of the Officials be confirmed and the sanitary regulations governing watersheds enforced.

From the Chief Engineer, Department of Public works, advising that the Comptroller General's Department is immediately communicating with Ottawa, with a view to obtaining approval of Unemployment Relief payrolls numbered 1 to 13 covering period October to December 1931, and that the matter of issuing Debentures for the City's share of Agreement 34 had been referred to the Treasury Department.

#### FILED

From the Secretary of the Executive Council on Unemployment Relief stating that there is nothing in the 1932 Relief Act whereby a contribution can be made for arrears of rent, and no assistance can be expected in the matter of Hospital accounts by Direct Relief patients.

Moved by Alderman Anderson seconded by Alderman Page and resolved that copies of the correspondence be handed to his Worship the Mayor to take up with the Union of B.C. Municipalities at Nelson.

From the District of North Vancouver giving Statutory notice terminating the Inter-Municipal Trades License Agreement as at January 15, 1933.

Moved by Alderman Anderson seconded by Alderman Brown and resolved that Notice be accepted and a copy furnished to the License Inspector.

From the District of North Vancouver suggesting an early meeting between Committees of the two Councils to discuss the Trades License and Water Agreements outstanding between the two Municipalities.

Moved by Alderman Huggett seconded by Alderman Wilson and resolved that a meeting be arranged if possible for the afternoon of Monday, July 4<sup>th</sup>, at 3.30 p.m. and in the meantime the Chairman of the Waterworks and Finance Committees study the situation so that definite proposals can be submitted at the meeting.

Total Loss	\$6,784.00

#### RECEIVED AND FILED

From the Fire Chief reporting that the Department responded to an Alarm on Saturday, June 11, 1932, at the Capilano Mall, in the District of North Vancouver, the Chief,

Captain and six men responding with pump, time of service 9.27 p.m. to 7.30 a.m. One man in charge from 7.30 a.m. to 5.30 p.m. following day. Also submitting the names of eleven (11) volunteers who rendered six hours service from 9.30 p.m. to 3.30 a.m. and five (5) volunteers who rendered four hours service from 9.30 p.m. to 1.30 a.m.

Moved by Alderman Huggett seconded by Alderman Brown and resolved that disposition of the report be left in the hands of the Fire & Light Committee with power to act.

From the North Shore Real Estate Association with further reference to relieving property owners by off setting taxes and water rates on houses occupied by persons receiving Direct Relief who are unable to pay rent.

Moved by Alderman Anderson seconded by Alderman Huggett and resolved that the Association be advised that the City is unable to carry any share of the Financial burden that a general arrangement to pay current rents would impose and in any case contributions cannot legally be made to property owners or to any person who cannot properly take a declaration that they are destitute.

From the Solicitor recommending approval of the contract for supply of Rockgas for the No.4 Ferry with the five-year period struck out. The contract having been amended to read that it may be terminated by either party on ninety days notice.

Moved by Alderman Anderson seconded by Alderman Wilson and resolved that the Agreement as amended be adopted, signed by the Mayor and City Clerk and sealed with the Corporate Seal.

## PETITIONS

The Clerk reported that the Sites Committee of the Community-Gymnasium Organization had requested a reserve to be placed on Lots 12 and 13, Block 114 D.L. 274 (Victoria Park & 6th Street) as a future site for such a building.

A petition was presented from Mrs. M.E. Snow and twenty others protesting against the proposed erection of a Community-Gymnasium building on the south side of Victoria Park.

On motion Mrs. Snow was heard on behalf of the petitioners and stated that in the opinion of those protesting the site was unsuited for the class of building proposed, which would undoubtedly constitute a neighborhood annoyance and depreciate the value of surrounding property.

Moved by Alderman Anderson seconded by Alderman Page and resolved that the Council do not place a reserve on the property and the interested parties be so advised.

## ENQUIRIES

Alderman Huggett inquired if:-

- a) "The Bridge Company had made any arrangements for checking up the Contractors; (cost figures) in respect to bridge reconstruction".
- b) What provision (if any) had the Bridge Company made to protect the District of North Vancouver and the City of North Vancouver against the liability of paying interest on certain Bridge Debentures".

Mayor Bridgman suggested that the reference should be made to the Burrard Inlet Tunnel and Bridge Company.

Moved by Alderman Huggett seconded by Alderman Brown and resolved that the Clerk write the Burrard Inlet Tunnel and Bridge Company and obtain the necessary information.

Alderman Anderson enquired if a list of persons in arrears of taxes had been prepared. The answer being in the negative.

Moved by Alderman Anderson seconded by Alderman Huggett and resolved that a complete list of persons who are in arrears of taxes for the years 1930 and 1931, together with the amount owing by each, be prepared and submitted, to the Council and that the Chairman of the Finance Committee have power to act in arranging temporary help to prepare the list, if that is found to be necessary.

Alderman Anderson enquired the construction cost to the City in connection with the establishment of Pressure Pipe Company at the foot of Fell Avenue and rate of wages being paid for the following classes of labor by representative concerns operating in the City.

The Clerk reported the following construction costs and stated that the wage scale had been confirmed by the under noted concerns by telephone on Saturday, June 11, 1932.

Plus work under Unemployment Relief scheme	481.00
Total:	\$1,668.00

## WAGES PAID

### Burrard Drydock Co. Ltd.

Welders      \$7.00 average per day  
Mechanics    \$7.00 average per day

Subject to downward revision at end of June.

Labourers - .50 cents per hour

### Pressure Pipe Co. of Canada Ltd.

Welders      .60 center per hour  
Mechanics    .60 center per hour  
Labourers    .60 center per hour

Moved by Alderman Anderson seconded by Alderman Wilson and resolved that protest be made to the Greater Vancouver Water District against the scale of wages being paid by the Pressure Pipe Co., at its local plant, and mailed together with a copy of the agreement entered into between the City and the Pipe Co. and that copies of the correspondence to be mailed at the same time to the Pressure Pipe Co.

Alderman Page enquired if the Publicity Committee had any further report to make on the question of Amalgamation of the City and District of North Vancouver. It was pointed out that the question had progressed to the extent of ascertaining that the preparation of details would occupy a period of possibly one year and at a cost of several thousand dollars, with the accompanying uncertainty of the fate of a private bill in the legislature where it is proposed to revert large areas of land to the Provincial Government that had already been hypothecated as a general security on debentures issued by the respective Municipalities.

Alderman Huggett promised he would again review the position before the next regular meeting of Council.

Mr. P. O'Donovan, National Secretary, Canadian Association of Seamen, appeared before the Council to protest against the number of Orientals carried on vessels of Canadian registry sailing from B.C. Ports. Mr. O'Donovan stated that on four of the larger passenger vessels sailing from Vancouver, the white crew averaged between seventy and eighty to the ship and on the four vessels there are 1990 Oriental seamen employed. The Association estimated that on all ships of Canadian registry sailing out of Victoria and Vancouver there are approximately 2570 Orientals carried while there are in excess of 2000 resident white seamen out of employment in Greater Vancouver.

Moved by Alderman Wilson seconded by Alderman Huggett and resolved that Council support a protest to Ottawa against the employment of Oriental seamen on ships of Canadian registry.

## TENDERS

From Jack Loutet & Co. Ltd. On behalf of a client offering the sum of \$50.00 cash for Lot 28, Block 208, D.L. 546.

The Assessor reported that the lot was situated on the South side of 22<sup>nd</sup> Street, East of St. George's Avenue, assessed at \$450.00, size 51x135', Lane at rear is opened, water and street light is available.
