Report: Deputy Director of Finance, July 21, 2004

Moved by Councillor Clark, seconded by Councillor Keating

**PURSUANT** to the report of the Deputy Director of Finance, dated July 21, 2004, entitled "2005-2014 Financial Plan Process and Objectives":

**THAT** the 2005-2014 Operational and Capital Ten Year Financial Plan Objectives on Attachment 1 to this report be endorsed, as follows;

**"City of North Vancouver  
2005-2014 Ten-Year Financial Plan  
Year 2005 Objectives  
Operations**

**Objective 1: 5 Year Operational Plan**

**THAT** all City departments, as well as City-funded Commissions, Boards, and Core-funded Agencies, be required to submit for inclusion in the City's Financial Plan:

- A five-year operating plan,
- With requirements for 2005 as Year 1, and
- With anticipated revenue and expenditure increases shown in years 2 and 3,
- Including 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> year costs of requested new staff and new programs, shown as a separate item.
- And with projections based on an overall percentage supplied by the Finance Department for years 4 and 5

**REPORTS OF COMMITTEES, COUNCIL REPRESENTATIVES AND STAFF**  
*continued*

**14. 2005 - 2014 Financial Plan Process and Objectives - File: 1650-01**  
*continued*

For Core-funded Agencies, the 5-year plan submitted shall include only those areas and programs funded by the City (but for all areas if the City is providing general operating funds), with details provided as to how City funding is expected to impact the delivery of these areas and programs.

**Objective 2 - 0% Funding Increase**

**THAT** all City-funded services, including services delivered by City departments, utilities, commissions, boards, and outside agencies receiving City funding, be required to present a Year 2005 budget based on “0% funding increase” in Year 2005.

A “0% funding increase” is defined as:

- Year 2004 Annual Budget funding provided,
- Plus negotiated contract increases,
- Plus full-year funding of ongoing “new” items approved by Council in 2004,
- Less funds given in 2004 for non-recurring items such as studies, limited-year programs, and project funding.

**Objective 3 – Additions to Base Budgets**

**THAT** separate consideration be given to budget adjustments that may be required due to extraordinary changes in base service delivery costs, such as energy costs, increased maintenance costs due to new inventory, and operating impacts of new capital items.

These costs must be shown as separately listed costs, in addition to the 0% funding budget described in Objective 2, but will not be treated as “New Items”.

**Objective 4 – New Items**

**THAT** all requests for funding of new and/or non-recurring items for Year 2005 be separately presented for consideration by Council as “New Items”, to be funded only if monies are available after basic service provision objectives have been met.

**REPORTS OF COMMITTEES, COUNCIL REPRESENTATIVES AND STAFF**  
*continued*

**14. 2005 - 2014 Financial Plan Process and Objectives - File: 1650-01**  
*continued*

**Objective 5 – Goals and Objectives**

**THAT** each City department, each Commission or Board, and each Core-funded agency delivering City-funded services, be required to state their 2005 goals and objectives for each identified service area, and to identify how these goals and objectives support the City's Goals and Objectives as identified in the City's Strategic Plan, Business Plan, Official Community Plan, Social Plan, and other relevant City Plans.

An appropriate, outcome-based, performance measurement shall be specified for each goal and objective.

**Objective 6 – Outcome Measurements**

**THAT** each City department, each Commission or Board, and each Core-funded agency delivering City-funded services, be required to supply service delivery information related to the stated goals and objectives of the services delivered:

- A statement indicating how well the service has achieved its desired outcome in 2004 to date.
- For 2005, a statement of what changes, if any, will be made to ensure that service delivery improvements are implemented.

**Objective 7 – Public Presentation**

**THAT** a report addressing Objectives 1 through 7 form the basis for a public presentation by each department, each jointly funded board, and all other agencies receiving more than \$50,000 annually in City funding.

**Objective 8 – Public Input**

**THAT** Finance Committee meetings be open to the public, and publicly advertised, and allow sufficient time for public comment and questions.

*continued*

14. **2005 - 2014 Financial Plan Process and Objectives - File: 1650-01**  
*continued*

**Objective 9 – Public Consultation**

**THAT** alternative means of obtaining public input to the budget process, including staff-designed surveys, professionally designed surveys, focus groups, and public meetings be considered for the 2005-2014 financial planning process.

**Objective 10 – Long Term Tax Strategy**

**THAT** the City develop an appropriate long term tax strategy and incorporate it into the 2005-2014 Financial Plan to provide equity, stability and certainty to the City's property tax revenue base."

**“City of North Vancouver  
2005-2014 Ten-Year Financial Plan**

**Year 2005 Objectives**

**Capital**

**Objective 1 – Ten Year Plan**

**THAT** the City's Year 2005 capital budget be prepared as year 1 of a ten year capital financial plan, with the first five years to be integrated with the five year operational financial plan, with any operating costs associated with capital projects to be built in to the operational plan as additions to the following years' base budget, in coordination with the requirements of Objective 1.

**Objective 2 – Items over \$100,000**

**THAT** all City departments, as well as City-funded Commissions, Boards, and Core-funded Agencies, provide reports with a detailed justification of the requirement for each project with a proposed budget of \$100,000 or more in the 2005-2014 Financial Plan.

**Objective 3 – Capital Priorities**

**THAT** Council establish the City's major capital priorities for the 2005-2014 Financial Plan at a workshop to be held in the Fall, 2004, at which the department, agency, board, or commission sponsoring the project will make a public presentation to Council on the financial and operational requirements and service delivery justification for each such project

**Objective 4 – 1% Special Levy**

**THAT** the City Financial Plan continue to reflect an ongoing commitment to the funding of capital through taxation as a means to support long-term capital planning, and that taxation funding of capital be increased by 0.4%, as the final year of a special levy, raising the total tax transfer to capital funding to the equivalent of 10% of total taxes levied. (This completes the City's commitment to this objective.)

**Objective 5 - Reserves**

**THAT** the City Financial Plan continue to reflect an ongoing commitment to the funding of reserves as a means to support long-term capital planning.

**Objective 6 – Alternate Funding Sources for Capital Projects**

**THAT** as part of the presentation on major capital projects per Objective 2, consideration be given to the use of alternate sources of funding instead of, or in addition to, City property taxation and reserve funding, including the possibility, where appropriate, of public-private partnerships, in order that the City may leverage its available funding in the most cost-effective manner.”

**THAT** the Finance Committee meetings for the 2005-2014 Financial Plan, as detailed on Attachment 2, of the July 21, 2004 report, be scheduled as follows:

Tuesday, September 28, 2004  
Monday, October 4, 2004  
Monday, November 8, 2004  
Monday, November 29, 2004  
Tuesday, March 1, 2005
